

Use this form to request a substitution for a required course in any of the COF undergraduate majors. For your petition to be complete you must:

- 1) Complete both pages
- 2) Attach the **course syllabus** (must contain a detail of the course content and approximate time spent on each content area) OR the **course catalog description** (if syllabus is not available)
- 3) Submit the completed form to your academic advisor

*There is a chance your petition may not be approved or that you may be asked to provide additional information/documentation. Note that courses for substitution must be a reasonable match, if not a perfect match.*
